## Rancho Cordova Public Information Meeting

**Date:** September 4, 2001  
3-7 p.m.

**Place:** Rancho Cordova Mobil Country Club

**Attendees:** Sacramento County Agriculture Commissioner and Staff, California Department of Food and Agriculture Staff, U.C. Master Gardeners, Sacramento County Health and Human Services, Neighborly Pest Management, Department of Pesticide Regulation, Fox 40 TV, and residents.

Ag. Commissioner's edible display at the public meeting

Resident talks with UC Master Gardeners, Gordon Card and Karin Brandes.

CDFA Medical Officer, Dr. Peter Kurtz and Veterinary Medical Officer, Dr. Kristin Charlton.

Frank Carl (front/center), Ag Commissioner, talks with a resident.

### Highlights:

- Approx. 140 properties will be treated by the contract applicator to the County.
- Treatments will include carbaryl (7®) spray on garden fruits and vegetables, tank mix imidacloprid (Merit®) and cyfluthrin (Tempo®) foliar spray, and tree injection of imidacloprid (Pointer®).
- DPR will be monitoring imidacloprid and cyfluthrin concentration in air, plants, and surface water.
